ANTIQUÉ OAK

Wide Plank Flooring Description

- **Species:** Mixed Red & White Oak planks
- **Source:** Milled from original barn boards and from lumber sawn out of larger reclaimed barn planks and beams
- **Knots:** Many knots and some partially broken & loose knots
- **Holes:** Nail / spike holes and possibly some larger plugged holes. Also may have occasional worm hole patterns and insect scars
- **Cracks:** Aging cracks are allowed as long as the plank is stable and usable.
- **Face Character:** Plank faces may have limited original saw marks and other signs of previous use.
- **Color:** Natural color variations including: light to medium brown and some reddish hues enhanced by the natural aging patina
- **Grain:** Mixed patterns
- **Milling:** Tongue & Groove profile with back relief and squared ends.
- **Size:** Thickness: ¾" Width: 3" - 8" Length: Random 2" - 12'
- **Finish:** Unfinished
- **M/C:** Kiln Dried to 8-10% or less

A Family Tradition of Excellence since 1976
